### **REAL WEALTH® RADIO WELCOMES ROBERT KIYOSAKI APRIL 5-6**

**Kewaskum, WI** – *Real Wealth*® Radio is extremely pleased to announce a very special guest appearance by nationally known investor and author Robert Kiyosaki on April 5-6, 2008. Kiyosaki, author of *Rich Dad Poor Dad*, is an investor, entrepreneur, and educator whose perspectives on money and investing fly in the face of conventional wisdom.

“*Real Wealth*® Radio is honored and excited to have Robert Kiyosaki appear on our program,” said Jim Silbernagel, co-host of the *Real Wealth*® Radio show. “In arguing that ‘old’ advice -- get a good job, work hard, save money, get out of debt, and invest for the long term -- is obsolete and flawed, Kiyosaki has earned a reputation for straight talk, irreverence, and courage.”

“Robert Kiyosaki is also the author of the best-selling book, *Rich Dad Poor Dad*, the longest-running best-seller on the New York Times, Wall Street Journal, USA Today, and Business Week best-seller lists.” added Tony Jasen, co-host of the *Real Wealth*® Radio show. “We are really looking forward to having Mr. Kiyosaki as our guest and allow our listeners to tap into his vast wealth of financial knowledge.”

*Rich Dad Poor Dad* held a top spot on the New York Times list for nearly five years and was USA Today's No. 1 money book for 2004. Prior to writing *Rich Dad Poor Dad*, Kiyosaki created the educational board game Cashflow 101 to teach individuals the financial and investment strategies that his rich dad spent years teaching him.

Born and raised in Hawaii, Kiyosaki is a fourth-generation Japanese-American. After graduating from college in New York, he joined the Marine Corps and served in Vietnam as an officer and helicopter gunship pilot. Following the war he went to work in sales for the Xerox Corporation and, in 1977, started a company that brought the first nylon and Velcro "surfer wallets" to market. He founded an international education company in 1985 that taught business and investing to tens of thousands of students throughout the world. He sold his business in 1994 and, through his investments, was able to retire at the age of 47.
