### **REAL WEALTH® RADIO FINANCIAL TALK COMES TO WOSH**

**Oshkosh, WI** -- “Money Talks,” as the old saying goes. But where do you turn when you want great talk about money? Where do you find good, sound financial advice in terms that anyone can easily understand? Oshkosh and Fox Valley listeners will soon find out when the *Real Wealth*® Radio Show with Jim & Tony makes it debut Saturday June 9, 2007 on WOSH 1490AM. The hour-long show will air weekly in the 8 a.m. – 9 a.m. time slot.

The *Real Wealth*® Radio Show, featuring Jim Silbernagel and Tony Jasen, is one of the most comprehensive financial talk shows in the state. What’s more, *Real Wealth*® Radio is Wisconsin’s only statewide, homegrown *Real Wealth*® Advisor Network.

“We are delighted to bring our program to Oshkosh and the surrounding areas and are especially excited to add WOSH 1490 AM to the *Real Wealth*® Network,” said Jim Silbernagel. “What makes our show work so well is that we offer comprehensive financial advice that works for anyone. There are many, many people who are interested in learning how to develop real, attainable wealth. We have developed a team to guide people through the entire process. We’re really looking forward to sharing our financial advice with people in and around the Oshkosh area.”

The *Real Wealth*® show was created to help Wisconsin listeners make financial decisions that are truly in their best interest, not that of a financial planner or to sell investment products. The show:

- Provides thorough answers to your listeners’ questions, not mere sound bites.
- Brings people back to the *real* issues of life and wealth.
- Offers real solutions, not just products and markets.

*Real Wealth*® Radio is talk but it’s also about listening, asking questions about people’s stages in life and the transitions they need to make. Although Jim and Tony are great talkers, they’re also excellent listeners. “*Real Wealth*® is a community dedicated to making a meaningful
